This list of Oakland County employers encompasses companies with headquarters in Livingston, Oakland, Wayne, Macomb or Washtenaw counties. Companies with headquarters elsewhere are listed with the address and top executive of their main Detroit-area office. This is not a complete listing but the most comprehensive available. Unless otherwise noted, information was provided by the companies. Number of full-time employees may include full-time equivalents. NA means not available. Bank of America, which *Crain's* believes would qualify for this list, did not provide 2008 figures and a reliable estimate could not be made. For 2007, LaSalle Bank, now Bank of America, reported 2,326 full-time employees, to *Crain's*.
